Bluestone Investment Partners Raises New Private Equity Fund

Bluestone Investment Partners has announced the initial closing of a new \$75 million fund aimed at bringing transformational capital to small businesses in the defense and government services sector.

Bluestone Investment Partners, LLC, a McLean, Virginia-based private equity firm, is pleased to announce the initial closing of a new \$75.0 million fund aimed at bringing transformational capital to small businesses in the defense and government services sector.

"Some of the most successful companies in the defense and government services sector have used mergers and acquisitions to accelerate growth and create shareholder value," said John Allen, who co-founded the Bluestone fund. "The extensive M&A and industry-focused experience of our team will allow us to bring value-added capital to small companies in the sector and help them execute transformational acquisition strategies."

About Bluestone Investment Partners

Bluestone Investment Partners is a lower middle market private equity firm focused on investing in defense and government technology companies. The firm partners with management teams to accelerate growth through organic initiatives and add-on acquisitions.
